

The image shows a template for an A5 sticker. It features a central white rectangular area. This area is enclosed by a solid orange border. Surrounding the orange border is a dashed black line, which likely indicates the cutting line for the sticker. The entire design is set within a larger pink rectangular frame. The text 'A5 sticker' is centered in the white area, with the dimensions '(210mm x 148mm)' written below it in a smaller font.

**A5 sticker**  
(210mm x 148mm)

**Bleed Area:** The bleed area extends out 3mm from the edge of your finished document. All images or colour that print to the edge of your document should be extended into this area to avoid the chance of any white lines appearing. Do not place any content that you wish to appear in your document in this area as it will be trimmed off.

**Non Text Area:** Avoid putting any text 3mm from the edge of the document and 3mm from the fold. Text placed in this area will run very close to the edge of the document and could possibly get trimmed off. If possible also avoid using any thin borders in this area as you may get inconsistent thickness.

**Trim Area:** This is the finished size of your document. Anything placed outside of this area will be trimmed off.
